Dear Troy Hills Parents,

Hello! Let me first introduce myself - My name is Mike Nicosia and I am excited to be your new principal. For those new to Troy Hills like me, I want you to know that we are in this new journey together. To our returning families, thank you for your dedication to making Troy Hills the best and I look forward to getting to know everyone!

You'll be hearing a lot from me in the coming weeks, but I want to make sure to cover a few basics in this introductory letter. For the past three years, I have been an assistant principal at Brooklawn Middle School, and am now honored to take on the principal role at Troy Hills Elementary School. I'm also a semi new dad of a one year old! As my son grows up, I am even more thankful for the wonderful new perspective fatherhood brings to my job as a leader and listener. My belief is that Troy Hills will shape its students into global citizens ready to embrace opportunities for continuous growth and leadership wherever they go.

Last school year, parents and staff came together to create a new strategic plan for our district. The final product details goals that will allow your child to access the strongest version of academics possible, grow as social emotional learners and ensure our staff is engaged in top notch professional growth opportunities. This strategic plan serves as a guide to grow and support the Troy Hills community and Parsippany Troy Hills School District. I look forward to getting to know you and working to make Troy Hills the best school for your child.

I hope you have an enjoyable remainder of summer! As you are out and about in your travels or just enjoying time at home, don't forget about us at Troy Hills. I would love for our families to send us a post card here in the main office to help us keep up to date on all of your wonderful summer happenings!

Sincerely,

A handwritten signature in black ink, appearing to read 'Mike Nicosia'.
